1/2 hour Each team thinks of 6 questions (on their own)  
 - provides solutions

{ some english 25%  
 some code 25%

1 hour - team receive other teams questions  
 Solve them

1/2 hour marking / feedback / other team score

Each team scores other team on. (1-10?)

- quality of questions
- marks other team

e.g. if 4 teams

Team 1 will mark T2, T3, T4 etc

	Quality				Same for Accuracy
	T1	T2	T3	T4	
T1	•	4	6	4	Same for Accuracy
T2	5	•	5	6	
T3	7	2	•	3	
T4	6	5	4	•	
Score	18	4	15	17
