gner

GNER Wireless is really rather good.

UNIVERSITY OF LEEDS

limerick

Go there.

UNIVERSITY OF LEEDS

habit

We do it that way because that's the way we've always done it.

UNIVERSITY OF
LEEDS

language

The language we teach really, really does not matter. Honestly.

UNIVERSITY OF LEEDS

language

The language we teach really, really does not matter. Honestly.
(But some languages *are* worse than others.)

UNIVERSITY OF
LEEDS

people

There do exist people who will never learn to program.

UNIVERSITY OF LEEDS

commoners

The thing that commoners have in common is that they *care*.

UNIVERSITY OF LEEDS

commoners

The other thing that commoners have in common is that they *enjoy* teaching people to program.

UNIVERSITY OF LEEDS

commoners

Commoners are also beset by bureaucracy.

UNIVERSITY OF
LEEDS

long shot

Does anyone know anything at all about Computer Networks?
